

SECURITY SUGGESTIONS FROM POLICE AND FIRE

Protection From Theft

With the heavy Christmas shopping season in progress, citizens should be alerted to the upward trend in the theft of articles from homes, vehicles and shoplifting, also the definite increase in purse snatching cases by juveniles as well as adults. To discourage and combat these offenses may we suggest the following:

Do not leave packages in unlocked vehicles.

Do not leave packages in plain view in locked vehicles.

Packages should be placed in trunk of vehicle.

When unloading items from your vehicle wherein it is necessary to make several trips in and out of your home, do not leave the keys in your car, do not leave packages, purses, etc. in your car if it is unlocked or unattended.

Although it is customary to place packages etc. under the Christmas tree, do not place them near window or in view of the street.

When shopping, do not leave your purse on store counter or in shopping cart. Do not have purse hanging from shoulder or arm particularly when shopping in crowded area. Keep purses closed and in view.

If you intend to be away from home for a period of time, don't leave note in mailbox or in view explaining your absence; leave window shades open and a night light burning. Do not request delivery men to leave packages etc. on your porch when you are not at home to receive them.

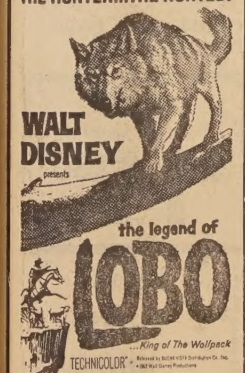

Lock doors and windows when leaving for a period of time.

Our best wishes for a Happy Holiday Season!

ALBANY CAMERA CLUB will meet at the Veterans Memorial Building Thursday, December 13, 8 p.m., which is two weeks ahead of regular schedule due to the Christmas holidays. Cleo Ralph, president, will preside.

Ho! Ho! Ho! Santa Comes To Town!

Santa Claus will officially open the Christmas Season in Albany when he drops down the chimney of the Albany Fire House on Saturday morning, December 15, and is driven on a fire truck to Key Route and Portland to meet his helpers, the Albany High School Pep Band and Majorettes.

At 12 noon, escorted by his musical companions, Santa will travel south on Key Route to Solano, then west on Solano to the Albany Theatre. The Band will play suitable selections while Santa greets any and all Albany residents, regardless of age, and distributes candy.

The matinee at the Albany

Theatre will climax the early Christmas activities with the showing of "Legend of Lobo", a Walt Disney True Life Adventure.

In the evening, the Albany High School Choir will assemble at the High School at 7 p.m. and will make their way down the streets of the residential area of Albany, singing Christmas Carols, to the Freedom Shrine on Solano at Key Route where they will encircle the Nativity Scene and present a concert of Christmas music. Albany residents have been invited to join them in a Community Christmas Sing. The concert will begin at 7:30 p.m.

Cornell's Christmas Program Features 'Alice'

The annual Christmas program at Cornell School will be held on Monday evening, December 17, at 7:30 p.m. in the school auditorium.

The program will open with several carols sung by the Glee Club under the direction of Miss Lois Sconberg and the Junior Choir headed by Miss Dorothy Nicholds.

Following the carols a play in pantomime, based on Lewis Carroll's "Alice's Adventures in Wonderland," will be presented. Alice, played by Christina Gaines, will have her adventures in wonderland but, unlike the original story by Carroll, she will be supported in this tale by Santa Claus, played by Linda Alvarez.

Alice's journey into Christmas wonderland will include many of the characters from Carroll's original story: The White Knight, Carter Croley, King of Hearts, Doug Ham, the Queen of Hearts, Barbara Holm, Knave of Hearts, Chris Corbett, the White Rabbit, Kelly Wolff, Caterpillar, Jim Shirley, The Duchess' Cook,

Betty Gleason, The Doormouse, Kathy Sturgeon; Tiger Lilly, Nancy Van Pelt; The Mad Hatter, Chuck Schoonenberger; Humpty Dumpty, Linda Talbot; The March Hare, Dorothy Losee; Walrus, Judy Boyd; Fizzpop, Lynn Nunes; and The Bandersnatch, Alan Liner.

The pantomime is carried on as the story is told to the small daughters of Prof. Liddell (Mark Jacobson) by Lewis Carroll (Jimmy Murrow).

Also participating in the story will be members of the primary grades who will perform several ballets throughout the play. The Junior Choir, in addition to opening the program, will portray the King of Hearts army.

The play is under general direction of Mr. Manfred Funk, sixth grade teacher and the primary dancers are under the guidance of Miss Suzanne Eichmann, first grade student teacher.

Post 292 Starts Yule Projects

Albany Post No. 292, The American Legion, began their traditional Christmas projects on Friday evening, December 7 at 8 p.m., when Commander Walter E. Ellis Jr. opened the Christmas basket to receive contributions of groceries and cash to be distributed to unfortunate families prior to Christmas day. The basket will remain open until December 21.

For 34 years the members of the Post have assisted in the decoration of the Livermore Veterans' Hospital. On December 16, the Post decorating committee will leave the Albany Veterans' Memorial Building at 7 a.m. for Livermore. The Albany party will breakfast in the City of Livermore before they start their annual project.

Upon completion of the decoration of the hospital, the group will be the guests of Mr. and Mrs. Richard Ball, in Walnut Creek, for luncheon.

Parking Strip Hearing On December 17

On Monday, December 17, the Albany City Council will hold a public hearing to determine whether or not changes should be made in the existing Code sections applicable to parking strips. The Park and Recreation Commission and the Planning and Zoning Commission have suggested that the Council modify the Code sections to provide for the placement of sidewalk and parking strips less than 36 inches in width in single family residential districts, or less than 48 inches in width in multiple family residential districts.

The proposed changes would also allow a wider latitude in the type of material to be placed in parking strips, where permitted. In general, the proposed changes would allow concrete, brick, flagstone, or other materials, free from sharp edges or irregularities, provided they are properly bedded and cemented in place.

Proposed changes would prohibit fill of parking strips in excess of 36 inches in width in single family residential districts, and in excess of 48 inches in multiple family residential districts.

COUNCIL TO REDUCE BUDGET 2%

A budget session with the department heads of the City of Albany was set by the Albany City Council at their weekly meeting Monday night, December 10.

The yearly income of the city did not come up to the fiscal expectations and a 2 per cent reduction in the city budget will be requested with the cooperation of the city departments. A further economic move was made by the Council in advising City Administrator James Turner to accept the low bid of Jim Woulfe Ford, Inc. for two new police cars, trading in the three now in use. The city will be \$1000 ahead if the bid is executed now, and according to Police Chief Ralph Jensen two cars can be utilized to the same extent of the three now in use for there will be no interference of service.

Following the reading of Ordinance No. 62-012, Rules & Regulations for the Planning and Zoning Commission, Councilman Joseph Egenberger raised the question of a member of the commission participating in discussion prior to vote if conflict of interest is present. City Attorney Larry B. Saler advised the Council that the recent case in the City of Taft proved illegality because even though a councilman there resigned before the vote, his participation prior voided the contract. The ordinance was accepted on first reading as it stood.

Eleanor Miller was asked by the Council to report on the meeting, held earlier December 10, on the action of the committee working in opposition to the present rapid transit plan. She informed the Council of the preliminary injunction Judge Martin Rothenberg granted Robert L. Osborne, Oakland City Council member, Mayor Dewayne Bobbitt of El Cerrito, Stanley Nunn, Brentwood farmer and J. C. Gertsch, an executive of the San Francisco Council of Civic Clubs. The injunction prohibits the Bay Area Rapid Transit District from paying any engineering fees pending a hearing on a permanent injunction. This will be argued in the court December 21.

In the meantime, the opposing committee is planning a referendum move, Mrs. Miller stated. A meeting on this will be held today.

Other Council business included a communication from the Alameda County Mayor's Conference re proposed legislation to increase gas tax. Because the increase would be matched \$ for \$ expenditure on major city street construction, the City Council filed the communication without action. Albany's problem at the present time is not construction, but maintenance, was the Council decision.

A budget session was set for December 17.

First Flight Cover Offered Local Residents

Postmaster Frank S. Spires announced today that the new Helicopter Airmail Service being inaugurated on December 17, 1962, would in many cases speed the delivery and dispatch of mail in Berkeley, Albany and Kensington by 24 hours. The new route AM 103 will operate between San Francisco International Airport and Berkeley Heliport. The Post Office Department recognizes events such as new air service by applying cachets on inaugural covers.

To obtain a first flight cover, an envelope bearing your name and address should be enclosed in an outer envelope and addressed to Postmaster, Berkeley, California. Outer envelope should bear notation "First Flight Cover".

Spires stated that the inner, or cover, envelope must bear postage at air mail letter rate. Each envelope should contain a uniform enclosure of the appropriate weight of a postal card to assure a good impression. Furthermore, a clear space 2 1/2 by 2 1/2 inches must appear to the left of the postmark and address area for application of the cachet. If this clear space is not provided, the cachet will not be applied.

Patrons desiring to receive these cachets should forward their covers to reach the Postmaster at least 5 days prior to the actual flight date. Further information may be obtained by telephoning the Berkeley Post Office, Thornwall 1-5121, Ext. 365 or 273.

Fagan - Kilgallon United At Nuptial Mass in East

At a beautifully appointed Nuptial Mass ceremony at St. Ignatius Catholic Church in Chicago, Harry T. Fagan, a former long time resident of Albany, was married to Maura Kilgallon of Chicago.

Harry was a graduate of Albany High School class of January, 1945. He received his B.A. and Masters' degrees in Business Management from Armstrong College in Berkeley in 1950 and 1951. He did graduate work at Stanford where he received an Executive Award in 1959. He is an executive with Union Carbide Corp. in Chicago.

His bride is the daughter of Mr. and Mrs. Thomas Kilgallon of Ballina, Co. Mayo, Ireland. Maura was given in marriage by her cousin, Jack Clarke, of Chicago. Her gown was of silk organza with a chapel train. She wore an illusion veil with a hand made crown of seed pearls and crystal. She carried a pearl covered Missal, sent to her from Ireland by her young brothers.

Joe Polera, of Chicago, was the best man and the matron of honor was the bride's cousin, Sheila Carvely. Other bridesmaids were Sue Franks and Mrs. Bonnie Bilo, both of Chicago.

The reception was held at the Pick-Georgian Hotel, in Evanston, Illinois.

The groom's parents, Mr. and Mrs. Harry H. Fagan of Carmel Avenue, Albany, were present at the wedding. Mr. and Mrs. Albert Angelino, uncle and aunt of the groom, also flew east for the ceremony.

The couple went to Nassau, the Bahamas, for their honeymoon.

PEUGEOT

The steel in a Peugeot is .9mm thick. You could overturn the car and remain unscathed. Not that we recommend it, but Peugeots at the factory are tested this way. Every part in a Peugeot 403 is inspected, nuts and bolts included. Every Peugeot made is road-tested. Why? Pride. After 160 years, this is still a family business. The oldest car still running in America is an 1891 Peugeot. No one knows the life span of a Peugeot 403.

Letters are being replaced by numerals ...nothing else changes!

Dialing itself doesn't change. It's really simple—you just dial numbers
instead of letters. The numbers correspond to the same dial openings as the
letters they replace.

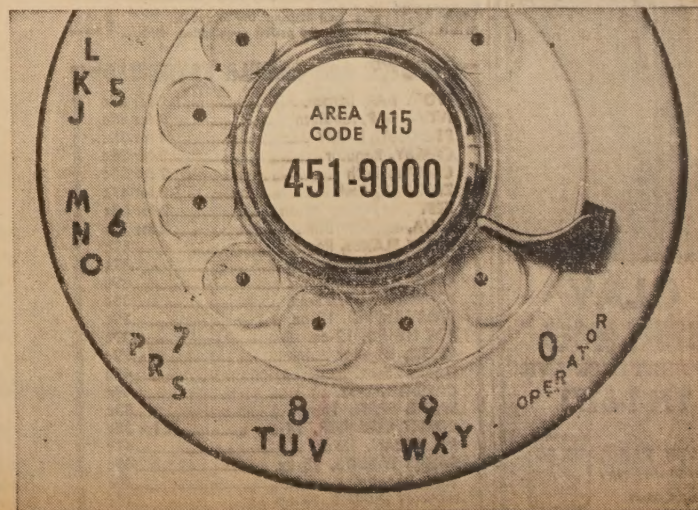

Growth is the reason for the change. As more and more families get
telephones, usable letter combinations for prefix names are used up. Going
to an all-numeral system will help make enough phone numbers available
to keep up with this growth.

The switch is gradual. Anyone getting service for the first time, moving
to a new address or getting a new phone number in the area served by the
Oakland telephone directory, is now being given an all-numeral number.
All other numbers will be converted during the next few months. During
this conversion, Information Operators will give out some numbers with
numerals and others with letters.

All numbers will soon be all-numeral. By the middle of May everyone
in the Oakland directory area will have received a new number card for
the telephone dial. This card will show the all-numeral phone number.
(The Area Code shown is only for people calling you from outside your area.)

If you have any questions about All-Num-
ber Calling, please call your business office.
